## "Reach Down"

Visit "[Reach Down](#)" on MotoLyrics.com

Hey woman what is on your mind?  
I know what you like to hear  
I feel the music's pumping loud  
Don't you feel like scream and shout  
The blood starts pumping in your veins  
Just let it all come out  
Making it all seem as bright as day  
So raise hands and join with me  
Don't hesitate  
Just give me one more time to celebrate

Reach down before it's too late...everywhere  
Don't say the word that you hate...everyday

It's all going down in flames  
And then the story turns  
Watching you from behind and celebrate  
So raise hands and join with me  
Don't hesitate  
Just give me one more time to...

I don't have a clue  
I feel I'm over you  
I held my head up high  
If I could only...
