Verse 1:

Whatever you want, whatever you need,
just ask in His name, everything you need is right here.

Whatever you want, whatever you need,
just ask in His name, everything you need is right.

Chorus:

Whatever you want, whatever you need,
just ask in His name, everything you need is right here.

Whatever you want, whatever you need,
just ask in His name, everything you need is right here.

Verse 2:

He knows all your wants, He knows all your needs,
You can have anything, everything you need is right
here.

Whatever you want, lift your hands and receive it,
if you believe it, everything you need is right here.

Chorus

Bridge:

Right here, right here, right here.
Right here, right here, right here.
Right here, right here, right here.
Right here, right here, right here.

Right here, right here, right here.
Right here, right here, right here.
Right here, right here.

Chorus
