Moments of dismay  
Grip my body tight  
And hold me here  
I want to escape  
To break off these chains  
Of doubt and fear  
It's an emptiness  
It's the feeling I get  
Without you

I only exist  
For the memory  
That you were mine  
A picture's engraved  
Upon my minds eye  
Of a forgotten time  
It is distant now  
It is meaningless  
Without you

There is heaven in your smile  
And a light is in your eyes  
It's a secret you can't hide  
There is heaven in your smile

Time passes by  
And only confirms  
Everything I feared  
All of the things  
That I once lived for  
Have disappeared  
It's a hollow world  
It's a world without aim  
Without you  
You are lost to me now  
And it's lonely here  
Without you

There is heaven in your smile  
And a light is in your eyes  
It's a secret you can't hide  
There is heaven in your smile....
