you sit and stare. It doesn't really have to stay that way.

Take a chance and free yourself
don't get left on the shelf.
Love system
love system
all have the chance

Love system
love system
get up and dance

Love system
love system

now is never too late.
It's up to you to change your way of life

Take a chance and free yourself
don't get left on the shelf.
Love system
love system
all have the chance
...
Love system
love system
all have the chance
