Baby, I can't figure it out  
Your kisses taste like honey  
Sweet lies don't gimme no rise  
Oh, oh what you're trying to do?

Livin' on your cheatin'  
And the pain grows inside me  
It's enough to leave me crying in the rain  
Love you forever but you're driving me insane  
And I'm hanging on  
Oh, oh, I know I'll win, I'll never give in

Our love has got the power  
Too many lovers in one lifetime  
Ain't good for you  
You treat me like a vision in the night  
Someone there to stand behind you  
When your world ain't working right

I ain't no vision, I am the man  
Who loves you inside and out  
Backwards and forwards with  
My heart hanging out  
I love no other way  
What am I gonna do if we lose that fire?

Don't try to tell me it's all over  
I can't hear a word I can't hear a lie  
No man could love you more  
And that's what I'm cryin' for  
You can't change the way I feel inside
