"Not the Loving Kind"

Is this what you call life
Asking for trouble and longing for strife
You're chasing me, the rumour's rife

Your intention's all too clear
Calling me up and calling me dear
And filling me with dread and fear

I can't deny it's true that love is blind
If you can't see that it's all in the mind
Just leave me be, I'm not the lovin' kind
It's plain to see I'm not the lovin' kind

You know you won't succeed
In winning cocks with chicken feed
The signs are there for you to read

Your efforts are a feat
The stake's too high for easy meat
Why don't you just admit defeat

I can't deny it's true that love is blind
If you can't see that it's all in the mind
Just leave me be, I'm not the lovin' kind
It's plain to see I'm not the lovin' kind
Just leave me be, I'm not the lovin' kind
It's plain to see I'm not the lovin' kind

I can't deny it's true that love is blind
If you can't see that it's all in the mind
Just leave me be, I'm not the lovin' kind
It's plain to see I'm not the lovin' kind
Just leave me be, I'm not the lovin' kind
It's plain to see I'm not the lovin' kind (fade)
