Our school will shine today, our school will shine  
Our school will shine today, all down the line  
Our school will shine today, our school will shine  
When the sun goes down, when the moon goes up  
Our school will shine

Our school will shine today, our school will shine  
Our school will shine today, all down the line  
Our school will shine today, our school will shine  
Did you ever see a trumpet munching on a crumpet?  
Our school will shine

Did you ever see a drum chewing bubble-gum?  
Did you ever see a trombone gnawing on a dog's  
bone?  
Did you ever see a flute shake a parachute?  
Did you see a violin kiss a monkey on the chin?

Our school will shine today, our school will shine  
Our school will shine today, all down the line  
Our school will shine today, our school will shine  
Did you ever see a cymbal sipping from a thimble?  
Our school will shine

Did you ever see a cello eat a bowl of Jello?  
Did you ever see a French horn munch a bag of pop  
corn?  
Did you ever see an oboe dancing with a hobo?  
Did you see a clarinet take a kitten to the vet?

Did you ever see a harp playing checkers with a carp?  
Did you see a viola eating some granola?  
Did you see a bassoon talking to the moon?  
Did you ever see a bass race a rocket into space?

Our school will shine today, our school will shine  
Our school will shine today, all down the line  
Our school will shine today, our school will shine  
Let the orchestra play 'til the break of day  
Our school will shine  
(Whole orchestra plays)
