"Talk To The Animals"

If I could talk to the animals, just imagine it,
Chattin' with a chimp in chimpanzee,
Imagine talking to a tiger, chatting with a cheetah,
What a neat achievement it would be!

If I could talk to the animals, learn their languages,
Maybe get an animal degree,
I'd study elephant and eagle, buffalo and beagle,
Alligator, guinea pig, and flea!

I would converse in polar bear and python,
And I would curse in fluent kangaroo,
If people ask me "can you speak rhinoceros?"
I'd say "of courserous! Can't you?"

If I conferred with our furry friends, man to animal,
Think of the amazing repartee
If I could walk with the animals, talk with the animals,
Grunt and squeak and squawk with the animals,
And they could talk to me!

If I consulted with quadrupeds
Think what fun we'd have asking over crocodiles for
tea!
Or maybe lunch with two or three lions, walruses and
sea lions
What a lovely place the world would be!

If I spoke slang to orangutans
The advantages why any fool on earth could plainly
see!
Discussing Eastern art and dramas
With intellectual llamas
That's a big step forward you'll agree!

I'd learn to speak in antelope and turtle
And my Pekinese would be extremely good
If I were asked to sing in hippopotamus
I'd say "whynotamous?" and I would!

If I could parlay with pachyderms

It's a fairy tale worthy of Hans Anderson and Grimm
A man who walks with the animals and talks with the
animals
Grunts and squeaks and squawks with the animals and
they could talk to him!

I'd study every creature's language
So I could speak to all of them on site
If friends said "can he talk in crab or maybe pelican?"
You'd say "I canny can" and you'd be right!

And if you just stop and think of it
Ain't no doubt of it
I'm gonna win a place in history
If I could walk with the animals
Talk with the animals
Grunt and squeak and squawk with the animals
And they could squeak and squawk and speak and talk
to me!

Hey, fellas and just stack, thanks a lot!
