Twinz-

Uhhh.. two hits then you pass it on, take two hits then  
you pass it

Take two hits them you pass it on, pass it on pass it on

I got my droptop back, layin low in my seat  
On a mission headin down the backstreets  
Its 12 o'clock gotta get my sack  
If I can't get my sack then it's time to scrap see (time to  
scrap)

Ain't nothin poppin if I can't get high  
On a high tip gotta get some chocolate thai  
Now, I see the homeys who be slangin doves  
Roll up on him, man it's on break me off my love fool  
(what's up fool)

Stop at the store to get the zig zags (zig zags)  
Not knowin that the homey in the back had a whole bag  
Of them licorice ones already rolled  
Take a hit god damn you just saved my soul  
Two hits pass it on they say  
But I'm a get high everyday all day (all day)  
And that's how it is when ya spin  
Cruisin while I'm floatin with my kin fool

Chorus(Warren G)

Two hits then you pass it on, take two hits then you  
pass it

Take two hits them you pass it on, pass it on pass it on

M&M-

2 o'clock AM vision hella blurry  
Barely woke so this locc keep swervin  
In and out the lanes tryin to get to tip  
Seems like it's takin forever and that's on the real  
Have some chocolate thai but the indo seems stronger  
Smoked a newport to make my high last longer  
Rolled up another so pass me a lighter  
And fire it up, so I can get higher  
Took a hit then I closed my eyes

I can't smoke no joint without my homey St. Ides  
Rolled to the store ain't shit you can tell me  
My eyes were so red that Visine couldn't help me  
Took a drink to the head now it's kickin in  
And the tide done hit me so my head starts to spin  
I rolled the windows down then I leaned to the side  
(cuz some think it's wrong) but you know how I ride

Chorus(Warren G)

Two hits then you pass it on, take two hits then you  
pass it  
Take two hits them you pass it on, pass it on pass it on

T-Dubb-

Now here I come slidin through, with my crew  
The homey's on focus so check the real view  
We roll the back door cut so we could plot  
To hit em up and roll em up and get to the weed spot  
We get the sack give em daps then we break  
I thought it was on but see my homey Bo's in shape  
But that ain't no thang yo, so roll up the window, Twinz  
got that

Indo

I thought you knew so now it's on like that black  
I love to hit the Chronic and I'm bombed off contact  
I'm with the skirts gettin love  
Now should I fire it up (man hit that shit T-Dubb)  
That's the lick so now I stare  
From rollin through the hood they got big respect  
(yeah)  
Eastside's where I glide  
So take a dip with a locc and hit em up two times right

Chorus(Warren G)

Two hits then you pass it on, take two hits then you  
pass it  
Take two hits them you pass it on, pass it on pass it on

Twinz-

I hit the corner, guess who's at the red light  
One time's there and they got me on sight  
Switched lanes straight G (straight G)  
If it's on then it's on 5-0 gotta catch me (gotta catch  
me)  
Its off to the freeway locc  
A cup of gin in my lap with the Chronic smoke  
You can't beat it with a bat  
AC just a blowin and my seat's laid back (laid back)□  
Slapped the homey on dippin in the 82  
Doin it like a locc like the thang to do  
Gotta always put it down for my niggaz restin in peace

The ones locked up that might not never touch the  
streets  
Every toke that I toke is for my muthafuckin locc  
Take no shorts as I blaze up some mo smoke  
Its just a lil somethin just to let you know  
That the real Chronic smoke is on the go  
So I'll..

Chorusx4

Take two hits then you pass it on, take two hits then you  
pass it  
Take two hits them you pass it on, pass it on pass it on
