we were lonely  
we were angry  
for being tied up to our lives  
we always mourned  
as the days passed by

we were shattered  
and we were guided  
by the calling of the wild  
the great unknown  
and no more run and hide

get in your car and drive  
into the the fading light of day  
find the living boy  
someone to take your breath away  
beautiful child  
take the ride into the light of day  
beautiful child  
no one else is gonna give you away

beautiful child

beautiful child

beautiful child

beautiful child  
we were heartless  
we were in need  
we thought life is just that way  
we were searching for love in the dead of night  
we couldn't see it  
couldn't find it  
wouldn't get it anyway  
another rock  
and we feel out of mind

get in your car and drive  
into the the fading light of day  
find the living boy  
someone to take your breath away

beautiful child  
take the ride into the light of day  
beautiful child  
no one else is gonna give you away

beautiful child

beautiful child

beautiful child
