I'm tired of thinking
Afraid of letting go
Where's the meaning
Of moving slow?

Watching your face in the crowd
You've been what love's all about
But it's too late

Too late to say I'm sorry
Too late to change your mind
Too late to turn back the hands of time
I was living a lie

Too late to walk on water
Too late for hapless tries
Let me see forgiveness in your eyes
I was living a lie, I was living a lie
I was living a lie, I was living a lie

Living a lie
Living a lie

Here's the feeling
Tasting bittersweet
I make believe that
You're here with me

Watching your face in the crowd
You've been what love's all about
But it's too late

Too late to say I'm sorry
Too late to change your mind
Too late to turn back the hands of time
I was living a lie

Too late to walk on water
Too late for hapless tries
Let me see forgiveness in your eyes
I was living a lie, I was living a lie

Living a lie
Living a lie

Too late to walk on water
Too late for hapless tries
Let me see forgiveness in your eyes
I was living a lie
