

4 Strings "Summer Sun"

Visit "[Summer Sun](#)" on MotoLyrics.com

Far away from home,
The place where i belong,
When I close my eyes,
I start to realize.
Hold my breath,
Trying to forget,
Feeling so strong,
A new day has come.
Summer sun,
Summer sun.....
[Chorus]
Summer sun, keep me warm,
Nothern light,
Come and dry my eyes.
Summer sun.
[Middle chorus]
When I'm searching for belive,
Has to put myself at ease,
Everytime I'm on the run,

Find me summer sun,
Find me summer sun.
Far away from home,
The place where i belong,
When I close my eyes,
I start to realize.
Hold my breath,
Trying to forget,
Feeling so strong,
A new day has come.
[Chorus]
Summer sun, keep me warm,
Nothern right, come and dry my eyes.
Summer sun!
Summer sun!
Uuuooooouhh
Find me summer sun.
Uuuooooouhh
Summer sun.....
