Take me away  
Million miles away from here  
Take me away  
Find a place for you and me

You're taking me higher  
High as I could be  
Take me away  
Forever you and me

Take me away  
A million miles away from here  
Take me away  
Find a place for you and me

You're taking me higher  
High as I could be  
Take me away  
Forever you and me  
Take me away

The tears I cried  
Put them all inside  
I needed time  
To make up my mind

Take me away  
A million miles away from here  
Take me away  
Find a place for you and me

You're taking me higher  
High as I could be  
Take me away  
Forever you and me

Take me away  
A million miles away from here  
Take me away  
Find a place for you and me

You're taking me higher

High as I could be  
Take me away  
Forever you and me  
Take me away
