Ah get on home now!
Hear me say:
Ah get on home!

Come on
come on
the hour is getting late now
Come on
come on
I'm givin' it to you straight
It's all right for you
you've got nothing to do
you'll stay in bed all day tomorrow
But what about me
I've gotta work until three.
I know I won't make it through.

Save my soul
Honey no
Honey no.
Won't you please say we've got to be goin'
Stop that old Johanna blowin'

Boogie woogie flowin

We've got to be gettin' home.
Save my soul
Honey no
Honey no

Won't you please stop your rock and a' rollin'.
Stop that sentimental strollin'
Southern gospel soul
And we've got to be gettin' home.

Ah get on home now!
Hear me say:
Ah get on home!

Come on
come on
you don't want to get me uptight.

Come on
come on
I don't want to start a fight
I've swung to the blues and I've ruined my shoes.
I'll never find the like again!
But all you can say
is what-cha want me to play

You know I can't take much more.

Save my soul
Honey no
Honey no . . .

Ah get on home now!
Hear me say:
Ah get on home!
