So long boy you can take my place
Got my papers, I got my pay
Pack my bags and I'll be on my way
To yellow river

Put my gun down, the war is won
Fill my glass now, the time has come
Going back to the place that I love
To yellow river

Yellow river, yellow river
Is in my mind and in my eyes
Yellow river, yellow river
Is in my blood, it's the place that I love

Got no time for explanations
Got no time to lose
Tomorrow night you'll find me sleeping underneath the
moon
At yellow river

Cannon fire lingers in my mind
I'm so glad I'm still alive
I've been gone for such a long time
From yellow river

I remember the nights were cool
And I can still see the water pool
And I remember the girl that I knew
In yellow river

Yellow river, yellow river
Is in my mind and in my eyes
Yellow river, yellow river
Is in my blood, it's the place that I love

Got no time for explanations
Got no time to lose
Tomorrow night you'll find me sleeping underneath the
moon
At yellow river

Yellow river, yellow river
Is in my mind and in my eyes
Yellow river, yellow river
Is in my blood, it's the place that I love

Got no time for explanations
Got no time to lose
Tomorrow night you'll find me sleeping underneath the
moon
At yellow river
