If tomorrow the world ends  
And in the morning the sun don't seem to shine  
I will stay here forever  
standing right by your side  
you know they say (they say) that its all gonna end  
some day

So, right before it does (right before it does)  
Let's make love (let's make love)  
Like tomorrow was 2012  
The last day on Earth, 2012  
The end of the world, 2012  
You'll be my man and I'll be your girl  
2012 x 7

Now they be telling me that these are the last days  
Are we really that close to Armageddon  
If living on the planet 'till this point has been hell  
I survived 'cause I am legend  
What if it's all about to be over  
Then i'm gonna say you need to be my girlfriend  
Hit the blunt after the world in the dim  
Then you can get it in like the world fixin to end  
It's predicted by the ancient Mayan civilization  
I don't want to see the world go soon  
But with such a beautiful girl in the room  
I want to be up in you when the world go boom  
Get down with your body 'till it's lights out  
Making love 'till the terminator come  
Global warming is having a major effect

Comfort each other but we don't know which way to run

Mother Earth is about to go to another cycle  
And I know that is about to end someday (someday)

Right before it does (right before it does)  
Let's make love (let's make love)  
Like tomorrow was 2012  
The end of the world, 2012  
The last day on Earth, 2012  
You'll be my man and I'll be your girl

2012 x 7

Tomorrow it's all about to be over  
So I only live to serve ya  
The dark is about to devour the Earth  
So come and ride with the Silver Surfer  
Now will it all in from the element  
Of ether or artificial intelligence  
As long as we both have the passion  
The sex it just makes all the issues irrelevant

I know it's all about to go  
So I just sit back and blow my dro  
(Right before it does)  
Steady looking at the clock,  
Before we suffer let me make your body rock  
Having sex 'till the big bomb drops  
Or 'till the planet go pop

2012, The last day on Earth  
2012, The end of the world  
2012, You'll be my man and I'll be your girl  
2012 x 7
