My adidas, in my adidas, in my adidas
Hoppin out the phantom, looking clean
In my adidas
My adidas, in my adidas, in my adidas

All exclusives when I pin up on the scene
In my adidas
My adidas, in my adidas, in my adidas, clean
My adidas, in my adidas, in my adidas, I'm thugging
My adidas, in my adidas, in my adidas

I party hard, in my adidas
Never less than the best, that's Gucci, Fendi, on my
body cas
Blowing old good kush, let it take me somewhere
Probably mardi gras
In the club bitches kissing all on me
Like it's Mardi Gras
In my adidas
When I'm stepping out of them cars
3 road already and in with a bad bitch
And my outfit probably hard
On the west coast I'm a og
On the east coast I be God

Cause I'm so fly when I be in my Jeremy Scott
Blowing out of jobs
In my audi cars
Run dmc no shoe strings hit 'em with a swag like molly

Got a pair with me everywhere I go
Cause if I don't I go hard
When you see me I'm stunting
Outfit popping because I'm in my

All these ladies beat up on me in my adidas
Nothing but the freshest whips my foreign car garage
Take a look at the regiment that I go through
When I give when I'm dressing up
Pants laid on behind tucked on my adidas looking fresh
as fuck
They don't measure up when I cut them clothes
Like a margine through and I
Spin in my adidas like Derek Rose
Show swag on em haters when I play with it
Strike on my favorite pose
So exclusive no matter where you look and the way to
get those
Wings in the back I'm hopping the air so whenever I see
her, I see her
If a mama got on that leopard print I'ma holla in my
cheetah adidas
Cause I'm that fly look down when you snap by
Spazz by cause I'm off one
And I'm turked up and lookin fresh in my
