Holla at me baby  
Whenever you're in town show me you know how to put  
it down  
I wanna have a party, all over your body  
And this is what I need right now

I need a very freaky girl  
That can drive me crazy  
Make my whole world go round  
That's a bad girl (she Michael Jackson bad)  
I just want a bad girl (she Michael Jackson bad)

She always actin slutty cause she knows that she a  
hottie  
And she goes to all the parties  
Just so she can move her body on me  
That girl is so bad ohhh I want to wife that  
I'll ride you like my Caddy, can I be your baby daddy  
girl

Sh-sh-sh-shawty understand me, we can start a family  
I'll share it all gladly  
So let a nigga peep some Hottest chick baby girl I  
wanna freak something

Holla at me baby  
Whenever you're in town show me you know how to put  
it down  
I wanna have a party, all over your body  
And this is what I need right now

I need a very freaky girl  
That can drive me crazy  
Make my whole world go round  
That's a bad girl (she Michael Jackson bad)  
I just want a bad girl (she Michael Jackson bad)
