[Verse 1: Twista]

Bastards and bitches  
After my riches  
I'm so spectacular with this knowledge  
Get back to the business  
I'm like Dracula with this,  
My binoculars is in this  
Octopus back to fictitious  
But its just the act of a madness  
Nigga, that's far from scary,  
And I'm like a barbarian, arian, arian  
Halin' until I start to airin' 'em  
So don't even start comparing them  
I'mma just start to bury him  
I bury him, take him take a swim in the sharks  
aquarium  
Lyric extortionists, turn you to corpses  
Every portion, thoughts of a provocative contortionist.  
On my mind and my mind better  
Who copy? I feel like a homonym  
And to my sincerely when I start to live in this pain  
I can take what I'm bombin' them  
God like I'm in dromadem  
Better get Osiris or should I say assuf?  
Brother of heru, I told you that I was a scholarship  
Take a walk in my moccasins  
you'll do a journey of knowledge and horror  
Sodom and Gomorra  
Biblical processes as if I was readin' the Torra

[Verse 2: Shawna]

Uh, bastards and bitches  
After my riches  
But I count my stacks and my digits  
Like it was ten mathematician.  
You gonna slice your wrister thin  
Tight to go listening to what I get like it's like  
nitroglycerine uh  
My oral skills is a horrible chlorophyll

With hallucinogenic that you can smoke down  
mechanic  
it's so repelled  
Shawna can do shit that be damaging  
Leaving them standing stiff as a mannequin  
Run a bitch up 'cause I'm hot  
They cannot be thinkin' that I can be killed with a  
medicine  
Redirected, I spit is like magic  
'Cause I am a sorceress  
Fortune and fortunes is leaving the call full of corpses  
Motherfuckers should vote for this  
On the court with this  
I am a beast , I hal and bang these bodies with niggas  
My hobby is strangers  
So don't make me have to come up and shut you,  
nigger!

[Outro]

You know the hardest bitch doing this  
Kids get shorter, Bonnie and Clyde on the way
