her mouth
cuz Im a real nigga for all my trio niggas
Im squashing the issue cock back hit em in his grill

tear the club up like the mafia till I make a mil nigga
shorty shake something
the way you look and make a nigga wanna rape
something
standing on the side of me
oh no but drunk at the bar looking like ya wanna take
some
and if somebody ask how much my bitch cost
with an ignorant ass I burst like that and bound to get
tossed
reload this disrespect for that nigga
that'll be your arm and your leg
your arm and your leg
when he jumped up like a bomb in his head
lets see and we make thugs like us make bloodshed

dead

[chorus]

[Big Body]
