

Twista "Cocaine"

Visit "[Cocaine](#)" on MotoLyrics.com

-Chorus-

Cocaine,
forget it by the quarter,
bring it by the pound, straight through the border.
Cocaine,
Bring it 'cross the water,
when it touch down, serve it on the corner.

They taste it, they taste it they comin right back
comin right back, yeah they comin right back.
You taste it, you taste it, you comin right back.
comin right back yeah you comin right back fo' da,
Cocaine.

Twista Verse

This for them white girl movers,
big dreams of makin a million offa users.
Car and the money the same color of mucous,
go get it his self they call 'em ghetto Frank Lucas.
Cocaine,
He got it by the boulder,
got it by the bird and he got it by the quarter.
Cocaine,
So he keep one in the holster,
Colombian connects, so they call him Lil' Sosa.
Gotta try ta' catch the six o' clock mornin' rush,
I bet them ni**as down the street aint servin more then
us.
They look like 20's but im chargin the customer 10,
They give-aways just to lure a few customers in.
Cocaine,
Thats why its Bently Coupe time,
D***, them ni**as tippin, look at the soup line.
All day they be servin them 50 packs,
Came to the table and count about 50 stacks,
Caz i know somebody who can come right over the
border
that be the reason why they get it right back,
and so they got..

-Chorus-

Cocaine,
forget it by the quarter,
bring it by the pound, straight through the border.
Cocaine,
Bring it 'cross the water,
when it touch down, serve it on the corner.

They taste it, they taste it they comin right back
comin right back, yeah they comin right back.
You taste it, you taste it, you comin right back.
comin right back yeah you comin right back fo' da,
Cocaine.

Twista Verse

This lil' ni**a think he Pablo,
The whole thing in the panel of the car door,
Cocaine.
And even though we from Chicago,
Some kinda way he can get that overseas cargo.
And if you stop the connection he got then he has
others,
Twins from Miami, i call 'em the Diaz brothers.
Got a killa squad, in the mob he the boss,

how you want it? caz he got the hard and the soft.
Cocaine,
They call him shawty blanco,
Junior El (Chavo?), in that Murcielago.
Cocaine,
that right connection to them poppy seeds,
caz he know someone that'll go wherever poppy be.
Cocaine,
and no the knot dont stop,
caz these ni**as is go get it from the doc to the block.
And these tips gon' be open,
and these hypes gon be floation,
i dont put too much on it, so it can stay potent.
I got that..

-Chorus-

Cocaine,
forget it by the quarter,
bring it by the pound, straight through the border.
Cocaine,
Bring it 'cross the water,
when it touch down, serve it on the corner.

They taste it, they taste it they comin right back
comin right back, yeah they comin right back.
You taste it, you taste it, you comin right back.

comin right back yeah you comin right back fo' da,
Cocaine.

Yo Gotti Verse

????

Y-O-G-O-TTI, f**k ni**a play wit me get shot,
pow-pow-pow from a coupe to a drop BEEP
(cocaine) big guap, ni**a 18 bands will get 1008 grams
of that block.

Fresh up out the pot, i call it water whipped,
hit it wit the soda make that dope do a karate flip.
five turn to ten, now thats a Maserati flip.
240 months, now thats a whole lotta years,
M6 Camaro, now thats a whole lotta gears,
hit him wit the choppa make his family shed alotta
tears.

I'm a North Memphis ni**a, we weighed everything,
send them boys in Chi-town they like to gang bang,
?????? know the flo' do too.

ni**a imagine what i been through,
shawty shot at ni**as who, went to war wit me & my
crew.

Gotti them ni**as aint pimp like you, they aint real like
you, they aint trill like you.
they aint sellin no bricks, they aint shot no pistol, ni**as
aint on a song wit Twista.
hey...

-Chorus-

Cocaine,
forget it by the quarter,
bring it by the pound, straight through the border.
Cocaine,
Bring it 'cross the water,
when it touch down, serve it on the corner.

They taste it, they taste it they comin right back
comin right back, yeah they comin right back.
You taste it, you taste it, you comin right back.
comin right back yeah you comin right back fo' da,
Cocaine.
