When I touch her, she like  
(Ooh)  
When I hug her  
(Ooh)  
When I rub her, she like  
(Ooh)  
When we cut, it's like  
(Ooh)  
Then she got me sayin'  
(Girl tonight)

When I touch her, she like  
(Ooh)  
When I hug her  
(Ooh)  
When I rub her, she like  
(Ooh)

Then she got me sayin'  
(Girl tonight)

It's gettin' late lil' mama  
We've been at the club too long  
Let me take you out to my home  
Tell me what a nigga gotta do to get you out that thong

When are you gon' really make up your mind shawty  
(See Twista workin' still)  
Now can I get up in it from behind shawty  
(Show you what I'm workin' with)  
C'mon, let me take you to the penthouse sweet  
Pull out some ol' school Marvin Gaye and put it on  
repeat

Shawty come and show me you can take it boo  
(Let me fuck you first now girl)  
Show me what you can do  
(Come and fuck me reverse count girl)  
Doin' thangs that'll get you go'n  
When we on the couch I can make you moan

Eat you up when we in the kitchen  
Let you get on top when we by the stove  
When she told me to do it faster that's when I dug deep  
in her  
Now er'time I see her, I gots to freak her 'cuz

When I touch her, she like  
(Ooh)  
When I hug her  
(Ooh)  
When I rub her, she like  
(Ooh)  
When we cut, it's like  
(Ooh)  
Then she got me sayin'

Make her feel like she popped a pill  
Got her feelin' ecstasy  
Took her to the bed-room  
'Bout to make her an overnight celebrity  
(L.A.)

'Finna get up in the sack  
And I hope you ready for me girl  
'Finna hit it from the back  
While I'm bumpin' ready for the world

I want you to hold me while I'm kissin'  
On your body slowly  
Give it to you like an O-G

(In out)  
Show me how you work the walls  
(Up down)  
Show me how you work them jaws  
And I bet when I'm floss and run, you will catch that  
drain  
That's why I love I can reek it with you 'cuz you a nasty  
thang

I want you to hold me while I'm kissin'  
On your body slowly  
Give it to you like an O-G

When I touch her, she like  
(Ooh)  
When I hug her  
(Ooh)  
When I rub her, she like  
(Ooh)  
When we cut, it's like

(Girl tonight)

Hit it to that Jodeci  
Hit it to that Jagged Edge  
Hit it to that New Edition  
Get you whipped and good for  
(Don't you worry 'bout a damn thang, no)

See how I do it to it when I sip some Do-It-To-It Fluid  
Hit it to some Is-ley Brothers  
Hit it to some Shai game  
Hit it to some R. Kelly and hit it to some Marvin' Gaye  
(Don't you worry 'bout a damn thang, no)

See how I do it to it  
Gotta I sip that Blew It  
When I touch her, she like  
(Ooh)
