[VERSE 1 (Twista)]

I wish the way I was living could stop, serving rocks,  
Knowing the cops is hot when I'm on the block, And I  
Wish my brother woulda made bail,  
So I won't have to travel 6 hours to see him in jail, And I  
Wish that my grandmother wasn't sick,  
Or that we would just come up on some stacks and hit a  
lick, And I (I wish)  
Wish my homies wouldn't have to suffer,  
When the streets get the upper hand on us and we lose  
a brother, And I  
Wish I could go deep in the zone,  
And lift the spirits of the world with the words within  
this song, And I (I wish)  
Wish I could teach a could teach a soul to fly,  
Take away the pain out cha hands and help you hold  
them hi, And I  
Wish My hommie Butch was still alive  
And on the day of his death we had never took that  
ride, And I (I wish)  
Wish that God could protect us from the wrong,  
so all the soldiers that were sent overseas come home.  
we would never break,  
though they devastate,  
We shall motivate,  
And we gotta pray, all we got is faith.  
Instead of thinking about who gonna die to day,  
The Lord is gonna help you feel better, so you ain't  
gotta cry today.  
Sit at the light so long,  
And then we gotta move straight forward, cuz we fight  
so strong,  
So when right go wrong,  
Just say a little prayer, get ya money man, life goes  
on!!!  
Let's HOPE!

[CHORUS (Faith Evans)]

Though I'm hopeful, yes I am, hopeful for today,  
Take this music and use it  
Let it take you away,

And be hopeful! Hopeful and he'll make a way  
I know it ain't easy but that's okay.  
'Cause we hopeful!

[VERSE 2 (Twista)]

I wish that you could show some love,  
Instead of hatin so much when you see some other  
people commin up (I wish)  
I wish I could teach the world to sing,  
Watch the music and have 'em trippin of the joy I bring,  
I wish that we could hold hands,  
Listen instead of dissin lessons from a grown man,  
And I (I wish)  
Wish the families that lack, but got love, get some  
stacks  
Brand new shack and a lac' that's on dubs, And I  
Wish we could keep achieving wonders,  
See the vision of the world through the eyes of Stevie  
Wonder, (you feel me) (I wish)  
And I hope all the kids eat,  
And don't nobody in my family see six feet, (ya dig)  
I hope them mothers stand strong,  
You can make it whether you with him or your mans  
gone, And I (I wish)  
Wish I could give every celly some commissary,  
And the po po bring the heat on the peace like they did  
R. Kelly, And I  
Wish that DOC could scream again  
And bullets could reverse so Pac and Biggie breath  
again, (I wish)  
That one day they could speak again,  
I wish that we only saw good news every time we look  
at CNN,  
I wish we could never get the blues,  
Wish I could bring back the people that died at E2\*, (I  
wish)  
I wish that we could walk a path, stay doin the right  
thing  
Hustle hard so the kids maintain up in the game,  
Let's HOPE

[CHORUS (Faith Evans)]

Though I'm hopeful, yes I am, hopeful for today,  
Take this music and use it  
Let it take you away,  
And be hopeful, hopeful and he'll make a way  
I know it ain't easy but that's okay.  
Cause we hopeful!

[VERSE 3 (Twista)]

Wish the earth wasn't so apocalyptic,

I try to spread my message to the world the best way I  
can give it,  
We can make it always be optimistic,  
If you don't listen gotta live my life the best way that I  
can live it,  
I pray for justice when we go to court,  
Wish it was all good so the country wouldn't have to go  
to war,  
Why can't we kick it and just get em on,  
And in the famous words of Mr. King "Why can't we all  
just get along",  
Hope we can find a better way to shop and please, And  
I  
Hope we find a better way to cop a keys, And I  
Wish everybody would just stop and freeze,  
And ask way are we fulfilling these downfalls and these  
prophecies,  
You can be wrong if it's you doubting,  
With the faith of a mustard seed you can move  
mountains,  
And only the heavenly father can ease the hurt,  
Just let it go and keep prayin on your knees in church!!  
And let's HOPE

[CHORUS (Faith Evans) X2]

Though I'm hopeful, yes I am, hopeful for today,  
Take this music and use it  
Let it take you away,(let it take you away)  
And be hopeful, hopeful and he'll make a way  
I know it ain't easy but that's okay. (i know it aint easy)  
Cause we hopeful!
