In da back of the club with a strap in the club and a

Fool I'm heated and plugged one with them g's and  
them gurls  
And them haters and thugs cycles like demons on  
drugs  
Got them screaming from slugs your mob is naturally  
fake  
Fill the circle up with ugaly, aguly, hagaly, ay

I'm too sexy with a gun, I'm too lazy to run  
Am I too crazy to let a nigga jump off in his gun?  
I owe you one cause Mom say's get even  
The war ain't never over 'til somebody starts breathing,  
bitch

Shit, you ain't known no G from the hood, tubule this  
but it's all good  
Could say your name but you won't come up on 3 state  
doe n' wood  
And we gonna stay on tour make our pace, ain't
