because the hummer is slick and they want some of the
dick. (uh)
do you see the twista comin' around? I'm always
thumpin the ground, for a woman a bound, and I be
runnin with hounds and we be huntin em' down, and
when I catch em' you know that I'ma be bustin em'
down. (then I)
run off (hot girls I gots to)
bump off (who aint scared to leave me)
slumped off (she make sure I get my)
