i know the adrenaline ? blue print for these mother fuckers
for what you do like a new sense ? for these mother fuckers
let them know the reality the way i manipulate the rhythm
niggers will get the formula ? cause when i am gonna get them
i am gonna get them never seen a woman ? catch me ? hands on it
sick and tired of what you found i am gonna start my own ?
you niggers got hands on ? what you wanna do it don't matter to me cause i got ?
to leave real nigger behind us and a coconut ? your shit is absolute bitch i got master teeth
i got money from your shit ? that is why my lip like dirt everybody on it
and what i spit like word everybody want it

[Hook]

I got kush rhymes go cocaine beats
It is a problem if we are serving on the same street
My shit come back like good dope
What i spit come back like a good dope
My shit come back like good dope
What i spit come back like a good dope
(repeat)

we holding big money
rolling on big wheels
just ask about me in the hood i am a big deal
? what the shit feels ? cause shit is real
? i got a sweet too taste line cinnamon
i am ? getting high till i say so
if i am popping ? take your clothes off
i got kush rhymes go ? it is a problem if we are serving on the same street
my shit come back like good dope
what i spit come back like a good dope
my shit come back like good dope

what i spit come back like a good dope
we holding big money
rolling on big wheels

[Hook]

I got kush rhymes go cocaine beats
It is a problem if we are serving on the same street
My shit come back like good dope
What i spit come back like a good dope
My shit come back like good dope
What i spit come back like a good dope
