"On Top"

(feat. Akon)

[Chorus - Akon]

I like to watch your body move when your ridin on top,
on top, on top, on top eh
I like to watch your body move when your ridin on top,
on top, on top, on top

Moving them hips ride me ever so slowly, actin so
grown and sexy you know what I wanna see

I like to watch your body move when your ridin on top,
on top, on top, on top eh

[Twista]

Look at how she make it move like jelly man
You know I gotta get a shock wit this daddy can
You can have a brother coming out the pelly pants
If I gotta keep em looking at the way you belly dance
She got a cute portfolio, fast like a nascar like she
drove before
Because I can tell by the way she ride that stick, that
she ride that dick like a rodeo ehh
On top while im huggin them theighs, and you know I
like looking at what I do see,
Im tryin to hit it from the bottom but she told me to be
real still cuz she wanna do me
Like a gangster when I touch her
Thought I was rough but she was rougher
She cut me, I didnt cut her
We tradin places like Usher
Drop to the floorer then Eisa
Common rock my boat like Aaliyah
If u can grind on me like Shakira
Well u on top then I just might see ya
He dont really know the way you can work
He said he ain hit it good while he was at you
But you be givin me the vision of a freak so I gotta lay
back I wanna see what that do cause

[Chorus - Akon]

I like to watch your body move when your ridin on top,
on top, on top, on top eh
I like to watch your body move when your ridin on top,
on top, on top, on top

Moving them hips rockin ever so slowly, actin so grown
and sexy you kno I wanna see

I like to watch your body move when your ridin on top,
on top, on top, on top eh

I feel it how u bump and grind wit the twist, come and
slide wit the twist, if u aint got plans
How u do it and I new that u was ready when I saw the
way the fatty look in them black pants
And you know I love that lol it would be good when you
be on top and giving me a lapdance
You move your body like a choreographer, I would lay
down and watch if I got that chance
I would be owing you an apology for but Ima be better
but im lovin the way she rockin me
Possibly I could be up in the oddesy for my good the
bottom be when I let her get on top of me
I new that she was kinder bubble she got in the truck, I
wanna hit it after sippin the yak in the cup,
I like the way the booty look when she backing it up,
come wit me and lets get buck in the back of the bus
A good time are u wit that there, come and give it to
me cause I gotta get that there.
New boat was here, gone sip that there, then pop this
ere let me hit that there
So sexy a bottle of 58, when she ride me she make her
body vibrate
When Im looking at her I never get irate, when she got
on top of me and then gyrate

[Chorus - Akon]

I like to watch your body move when your ridin on top,
on top, on top, on top eh
I like to watch your body move when your ridin on top,
on top, on top, on top

Moving them hips rockin ever so slowly, actin so grown
and sexy you kno wat I wanna see

I like to watch your body move when your ridin on top,
on top, on top, on top eh
