Pimp like me, pimp like me, work the bitch

Pimp like me, pimp like me, work the bitch
Pimp like me, pimp like me, work the bitch
Pimp like me, pimp like me, work the bitch
Pimp like me, pimp like me, work the bitch

When I meet a hoe I gotta hold her
'Cause I know just how to mack a hoe, I w-w-work the
bitch
Now she know she gotta get the money
'Cause she fuckin' with a pimp like me

Gotta serve a trick at the after party
'Cause I got her body in my mind
I'm a playa when I w-w-work the bitch
A pimp like me just wanna work that bitch hard, what?

You could be up in the club
You talkin' about you got a big booty
Let me see you work the bitch, drop it to the flo'
Are you worthy of fuckin' with a pimp like me?

When the Twista get her in the bed
After I get the head I bend the fatty over
And then I gotta w-w-work the bitch
A pimp like me just wanna work that bitch hard, what?

After kickin' it with Bishop and Snoop
I get a bitch in the coupe, I spit game then I w-w-work
the bitch
I'm a baller with status and it's an honor
To be fuckin' with a pimp like me

When I'm pimpin' I be gettin' that loot
I look at her dookie shoot
I tell the hoe she gotta w-w-work the bitch
A pimp like me just wanna work that bitch hard

Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder

Pimp like me, pimp like me, w-w-work the bitch
Pimp like me, pimp like me, w-w-work the bitch
Pimp like me, pimp like me, w-w-work the bitch
Pimp like me, pimp like me, w-w-work the bitch

I love how you makin' it jiggle
When you be standin in the middle
Let me see you w-w-work the bitch
Gon' leave the lame you came with
You should be fuckin' with pimp like me

How a motherfucker lookin' ugly
When you workin' it for me 'cause I'm a fiend
For the way you w-w-work the bitch
'Cause a pimp like me just wanna work that bitch hard,
what?

When you walkin' the red carpet or the runway
I love the way you w-w-work the bitch
You should be walkin' in the room
With an arm of an iced out pimp like me

Fine in the face and your booty lookin' juicy
In juicy contours let me see you w-w-work the bitch
A pimp like me just wanna work that bitch hard

Look me see you take it from the top of the pole
To the bottom of the flo' with your leg
When you w-w-work the bitch
You the coldest in the city, come and get it
Pretty kitty to a pimp like me

You could pull on the map when you makin' it clap
'Cause these niggaz finna snap
When they see you w-w-work the bitch
A pimp like me just wanna work that bitch hard, what?

Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder

Pimp like me, pimp like me, w-w-work the bitch
Pimp like me, pimp like me, w-w-work the bitch
Pimp like me, pimp like me, w-w-work the bitch
Pimp like me, pimp like me, w-w-work the bitch

Show me how you work that thang
I'ma make it rain if you w-w-work the bitch
Uh, if you ain't makin' enough in the club
Come and fuck with a pimp like me, what?

I can tell how you jack and you juke
To the beat from the Chi
By the way you w-w-work the bitch
Uh and a pimp like me just wanna work that bitch hard

I can see you got a fatty come and get up in the Caddy
Go to ATL you can w-w-work the bitch
Get you in the best strip club
If you fuckin' with a pimp like me, what?

I can take you to Miami when you rollin' with daddy
We gettin' money when you show 'em
How you w-w-work the bitch
A pimp like me just wanna work that bitch hard

If you got a booty that stick out and you from the South
Let me see you w-w-work the bitch
If it's bigger than the rest from the West
Then you fuckin' with a pimp like me, what?

If you know you got a booty
Like a beast and you from the East
Let me see you w-w-work the bitch
A pimp like me just wanna work that bitch hard, what?

Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder
Pimp like me just wanna w-w-work the bitch harder

W-w-work the bitch, w-w-work the bitch
W-w-work the bitch, w-w-work the bitch
W-w-work the bitch, w-w-work the bitch
W-w-work the bitch, w-w-work the bitch

W-w-work the bitch, w-w-work the bitch
W-w-work the bitch, w-w-work the bitch
W-w-work the bitch, w-w-work the bitch
W-w-work the bitch, w-w-work the bitch
