Title : So Lonely ft. Mariah Carey

This ya boy twistaâ€¦
That girl Mariahâ€¦
This that fireâ€¦

Twista:

You know I like the way you
Kick it girl
You know I like it when ya
In my world
Come here lil momma
Let me freak yo body
Then roll wit me in the Bentley
White pearl
Girl you know you get me so erotic
Especially when I be sippin Hypnotq
Got me feelin like I'm smokin on Chronic
When we fuckin it be so exotic
Now I know that I be turnin on fire Wit Mariah
And she know she be dealin wit a balla
Can't go fast cuz I'm heavy through the wire
Fulfillin' desires like a chi shot calla
Do you love how the twist throw it at you
Do you love when I hit it from the back too
Let me feel how you work it that one way
Come on baby girl let me see what that do

Mariah:

I wish that we could
Blow out the speakers
Over N Over
Tell Jokes and secrets
Forever your lady
You act right then , then maybe
Ain't nothing to talk about
With the music loud
So they wont hear me say
Ah-hahaha ahh!
Come and be my one and only

Tired of being so lonelyâ€¦ come hold me
Ah-hahaha ahh!
I wanna wrap myself around you freak whenever you
want to
Come make me say
Ah-hahaha ahh!
Come and be my one & Only
Tired of being so lonelyâ€¦ console me
Ah-hahaha ahh!
I wanna wrap myself around freak you whenever you
want to
Come make me say

Twista:

Now we pullin up out the garage
In the platinum blue Arnage?
Me and you about to hit that club
To the bounce so we can sip that bud
Both of us together we would be the livest
If I had to break it down how would I describe it
(Ah- ahahaha ahhh!)
We the type of couple when we get up on each other
we get it crackin in the kitchen or the bedroom
it don't matter where we at we be makin noise
so play the track so the base will make ya head boom
break ya off when ya hold one leg up
And you know I like the way you put it on me
It's the eastcoast queen and the midwest mob boss
Shorty I will never leave ya lonely

Mariah:

I wish that we could
Blow out the speakers
Over N Over
Tell Jokes and secrets
Forever your lady
You act right then , then maybe
Ain't nothing to talk about
With the music loud
So they wont hear me say
Ah-hahaha ahh!
Come and be my one and only
Tired of being so lonelyâ€¦ come hold me
Ah-hahaha ahh!
I wanna wrap myself around you whenever you want to
Come make me say
Ah-hahaha ahh!
Come and be my one & Only
Tired of being so lonelyâ€¦ console me
Ah-hahaha ahh!
I wanna wrap myself around you whenever you want to

Come make me say

Twista:

Let me give it to you all night long
Let me give it to you through this song
Let me give it to you in the hallway
Let me give it to you on the balcony baby
give it to you on the eastcoast
give it to you on the westcoast
give it to you down south
Let me give it to you in the midwest baby
Let me give it to you in the UK
Let me give it to you through the DJ
Let me give it to you with a rack in da back
Got her yankin my socks lets have a replay
I'll give it to you however you desiyah'
And I gotta show that I ain't a liyah'
I'mma console you even when you lonely
Come on listen to the twista and Mariah

Mariah:

So just show a girl what to do (What to do)
After this boy I promise to do
You got my body lit up like the moon
You're too persuasive, I can't take it,
I'm so caught up in you

Ah-hahaha ahh!

Could ya be my one and only
I'm tired of being so lonelyâ€¦! come hold me
Ah-hahaha ahh!
