Do you want me to slow it down?
Do you want me to speed it up?
Do you want me to slow it down?
Do you want me to speed it up?

You ain't never heard a slow jam like this
You ain't never had a remix like this
You ain't never been freaky like this
Rollin' on 24's like this
Never had a pool party like this
Never sipped on Cris much as this
Never been to an island like this
Make one wish and I'll give you all of this

Girl you remind me of my jeep and my S5
First I was on top of you now you sayin' lets ride
Freakin' yo body so good I give you wet thighs
When we get together you know we make the sex live
Take you to paradise while massaging you down
Feeling betta with twins managin' you down
Make you explode and now I'm calming you down
So good that you don't want me to bother you now

Now listen here come and kick it with the players
Ghetto majors and the thumpa sprayers and we never
Got no room for no haters when we pull up on them 24
omegas
While I'm smoking on a gar seeing Vega you by my
side
We be on one when we hangin', what earthquake say is
wrong
In a relationship we a corporation lets take over the
nation
Let me get up with you girl don't be trippin' on yo guy
he gone
Be up when the heat come out 'cause you could rub the
Lamp three times and still won't a mutha mutha like me
come out

You ain't never heard a slow jam like this
You ain't never had a remix like this
You ain't never been freaky like this

Rollin' on 24's like this
Never had a pool party like this
Never sipped on Cris much as this
Never been to an island like this
Make one wish and I'll give you all of this

You ain't never had a playa like me to take you shoppin'
Take you to the crib and sex you nonstop and bone
thugs top droppin'
VIP with the bottles poppin' so clean we gotta take a
picture
So sexy I wanna get wit you girl I'll be singing thrilla
While you be squeezing pillows and we can take a
shower together

Get cozy in stormy weather and if you ever going
through something
I promise to make it better you just keep on loving a
thug
Massage and some sex when I tell you it's time you
ain't never
Gotta want for nothing as long as you down and you
ready to ride
I wanna give you them butterflies have you head all off
up in the sky
And we be going, weo weo weo weo

You ain't never heard a slow jam like this
You ain't never had a remix like this
You ain't never been freaky like this
Rollin' on 24's like this
Never had a pool party like this
Never sipped on Cris much as this
Never been to an island like this
Make one wish and I'll give you all of this

You ain't never rode in a Bentley lookin' like this, you
ain't
Never got up with a thug nigga like this or got with a
balla
That spit to the rhythm like this or kick it with a platinum
Plus nigga like this, well looka here now come look at
how
The player T drop the top Kelly and Twista peep how we
rock the block
Platinum Ferrari it nothing shorty you it's chump
change or pull up
In the 7-4 to the fend, won't you get in while I'm steady
blowin'

Smoke in the wind hoping to win, now speakin' words to

my
Head in the bed then after we work then we can do it
that one way
Lookin' thick as a loaf of bread by legs and you get at
shakin' the way
The Twista make the tongue play and this is for the
love and the ladies
The fine women that be rolling Mercedes setting freaky
and we be going
Weo weo weo weo

You ain't never heard a slow jam like this
You ain't never had a remix like this
You ain't never been freaky like this
Rollin' on 24's like this
Never had a pool party like this
Never sipped on Cris much as this
Never been to an island like this
Make one wish and I'll give you all of this

Slow it down
Do you want me to speed it up?
Do you want me to slow it down?
Do you want me to speed it up?

Do you want me to slow it down?
Do you want me to speed it up?
Do you want me to slow it down?
And we be going weo weo weo weo
