*[R Kelly:]*

Do you want me to slow it down (Kelz)  
Do you want me to speed it up (Twista)  
Do you want me to slow it down (Kelz)  
Do you want me to speed it up (Twista)

*[Hook:]*

You ain't neva heard a slow jam like this  
You ain't neva had a remix like this  
You ain't neva been freaky like this  
Rollin on 24's like this  
Neva had a pool party like this  
Neva sipped on cris much as this  
Neva been to an island like this  
Make one wish and I'll give you all this

*[Twista:]*

Girl u remind me of my jeep and my s5  
First I was on top of you now u sayin lets ride  
Freakin yo body so good I give you wet thighs  
When we get together you know we make the sex live  
Take you to paradise while massaging u down  
Feeling betta with twins mÃ©nagin u down  
Make u explode and now I'm calming u down  
So good that u don't want me to bother u now  
Now listen here  
Come and kick it with the players, ghetto majors and  
the thumpa sprayers.  
And we neva got no room for no haters  
When we pull up on them 24 omegas  
While I'm smoking on a gar seeing Vega  
You by my side we be on one when we hangin  
What earthquake say is wrong in a relationship  
We a corporation lets take over the nation  
Let me get up with u girl  
Don't be trippin on yo guy he gone be up when the heat  
come out  
Cuz u could rub the lamp three times and still won't a  
muthafucka like me come out

*[Hook:]*

*[R Kelly:]*

You ain't neva had a playa like me to take you shoppin  
Take u to the crib and sex u nonstop and  
Bone thugs top droppin  
Vip with the bottles poppin

So clean we gotta take a picture  
So sexy I wanna get wit u  
Girl I'll be singing thrilla  
While u be squeezing pillows  
And we can take a shower together  
Get cozy in stormy weather  
And if u ever going through something  
I promise to make it betta  
Ya just keep on lovin a thug  
Massage and some sex when I tell u its time  
U ain't neva gotta want for nothing  
As long as u down and u ready to ride  
I wanna give u them butterflies  
Have yo head all off up in da sky  
And we be going (weo weo weo weo)

U ain't neva rode in a Bentley lookin like this  
U ain't neva got up with a thug nigga like this  
Or got with a balla that spit to the rhythm like this  
Or kick it with a platinum plus nigga like this  
Well looka here now come look at how the player T drop  
the top  
Kelly and Twista peep how we rock the block  
Platinum Ferrari it nothing shorty

U its chump change  
Or pull up in the 7-4 to the fend (4 to the fend)  
Won't u get in  
While I'm steady blowin smoke in the wind (smoke in  
the wind)  
Hoping to win  
Now speakin words to my head in the bed  
Then after we work then we can do it that one way  
Lookin thick as a loaf of bread by legs  
And u get at shakin the way the twista make the tongue  
play  
And this is for tha love and the ladies  
The fine women that be rollin Mercedes  
Getting freaky and  
And we be going (weo weo weo weo)

*[R Kelly:]*

Do you want me to slow it down (Kelz)  
Do you want me to speed it up (Twista)  
Do you want me to slow it down (Kelz)  
Do you want me to speed it up (Twista)
