

Twista "So Sexy Ft. R Kelly"

Visit "[So Sexy Ft. R Kelly](#)" on MotoLyrics.com

Yeah, this is for all the sexy ladies out there
Walkin' around downtown, shoppin' at the malls, yeah

Ladies
(You're so sexy)
So sexy
(Perfect for me)
And I like you
(You're so sexy)
So sexy
(Perfect for me)
And this is for

My ladies that be steady sippin' Cris'
Always lookin' nice, with some ice on they belly or they
wrist
Girls that be thick up in they thigh, I wanna kick it in the
Chi
They gon' be fuckin' with some Kelly and the Twist

Baby now look, model girls, Gucci and Prada girls
And all the ghetto divas in the hood
Women that be steady stackin' ends
Rollin' Lexus or Benz with rims and know how to keep it
lookin' good

Go on witch a fine thick ass
Somebody gon' snatch you so I gotta make you mine
quick, fast
See I come and pass, I don't really wanna wonder
So I gotta put her numbers on my sidekick fast

Rollin' witch a mob, workin' hard, gettin' money, pullin'
capers
If I ain't got papers you will bring me some beans home
Supervisor givin' orders on the job
But you still lookin' good with them skin-tight jeans on

Lookin' hot in them heels, I think I want that
Come and back it up to the bottom of my throwback
With you rollin' yo' rims lookin' like a Kodak
When I drive, I wanna smoke, she will roll that

Miss Mobstress rollin' with the hardest
Holdin' it down like a female Joe Pesci
And I wanna make her a made woman
And I hope she gon' let me, 'cause she looks so sexy

And this is for them girls that be wantin', dutty
And this is for them girls that be lovin', dutty
And this is for them girls that be ridin', dutty
The ones that like to keep the D up inside 'em now
So many girls off up in the mall boy a nigga be in the
club
Soon as one of them walk by me and I be like, "Yo,
whassup?"

Ladies
(You're so sexy)
So sexy
(Perfect for me)
And I like you
(You're so sexy)
So sexy
(Perfect for me)
And this is for

All the shrimp and lobster honeys, downtown shoppin',
honeys
Stayin' on the grind, gotcha own car and crib, honeys
Dro puffers, Remy sippers, V.I.P., real honeys
No dummies, takin' no shit from a nigga that's full of
shit, honeys

Dutty and this is for them girls that be wantin', dutty
And this is for them girls that be lovin', dutty
And this is for them girls that be ridin', dutty
The ones that like to keep the D up inside 'em now
So many girls off up in the mall boy a nigga be in the
club
Soon as one of them walk by me and I be like, "Yo,
whassup?"

Ladies
(You're so sexy)
So sexy
(Perfect for me)
And I like you
(You're so sexy)
So sexy
(Perfect for me)
And this is for

Me and my clique was rollin' thick on 24's on a dirty lick
Met a chick, lookin' fine and her measures was
36-24-36, come here shorty, ain't no reason to be
scared of us

Lovin' how you do your own thang
And how you smokin' on your own flame
Lookin' finer than a girl that be groovin' on Soul Train
I try to to hit her with some cold game

I hope she feel me, try to holla at a shorty
Get a better vibe wit her while I'm sippin' on my Henny
I wanna kiss her on her body
But I gotta make her holla while I'm givin' her dutty

Gotta really love a girl
They know to kick it but she know she gotta make that
money
Goin' shoppin' for the minks and the leather
But come back and bounce that ass for me

My East coast girls, that's what's up
Tell my Southside shorties we can get it crunk
My Cali girl make it bounce like a six-fo'
My Chi girl bust down, make it straight buck

When I see up all the girls that get down for hers
I gotta get up wit her if she gon' let me
Career woman with some goals, fuck the broke-ass
hoes
Baby girl 'cause you look so sexy

And this is for them girls that be wantin', dutty
And this is for them girls that be lovin', dutty
And this is for them girls that be ridin', dutty
The ones that like to keep the D up inside 'em now
So many girls off up in the mall boy a nigga be in the
club
Soon as one of them walk by me and I be like, "Yo,
whassup?"

Ladies
(You're so sexy)
So sexy
(Perfect for me)
And I like you
(You're so sexy)
So sexy
(Perfect for me)
And this is for
