I've been loving you, long, don't stop me now
I've been, I've been, I've been, I've been

I could of ever get a wife and you know better nigger,
gonna stay married to the hood
Going in the ghetto, something... you know better, will
be bury in the hood
But until then guess I gotta hustle, got my set of... from
the add
Got the them nickel... slags and I got the shorty doing
that
I've been
Tipping with the gangsters, tipping with the lords, got
the pistol by my side
I got that new hummer, I got that new pants, 24 on my...
I've been
Cause I handle with this, start to the finish, trying to
step and face the consequences
Look at you defenses I like to diminish it's a...
I've been
Got me feeling bright, come give me a light so that I
can put it in the air
You're so shady niggers over there
That's why I'm always standing elsewhere
... don't wanna pull it quick up in the bullet now I got me
standing so strong
If you don't know the rules and why I never leave the
hood it's cause I've been there too long
I've been loving you
I got too much love for the streets, I got much love for
the hood, I got too much love for the block
And my love ain't gonna stop
I got too much love for the streets, I got much love for
the hood
I got too much love for the streets, I got much love for
the hood
I got too much love for the block
And my love ain't gonna stop
I got too much love for the streets, I got much love for
the hood, I got too much love for the block
And my love ain't gonna stop

I've been

I could of never leave, cause my people need me and
you know we gotta make the...

Hustle hard, push our enemies, if the niggers... we
bring them to his knees

I've been

Got a nigger os... swallow every time I see the... coming

Hit the key blowing then we open bag of full custom...

Hey dollar holler,... sober, got blocks, got blows, got
weed, got guns

I've been

You know I can love in the hood and you know I can club
in the hood

Everybody caught it from me, that's why I'll be going to
the club to be good

I've been

In the ghetto we just see gorillas and some whose from
the liquor store

Now come on tan while the place...

I've been

Daddy was a corner, try to run upon a nigger, I'ma put
a slug in you

One, try...

I've been loving you

I got too much love for the streets, I got much love for
the hood, I got too much love for the block

And my love ain't gonna stop

I got too much love for the streets, I got much love for
the hood

I got too much love for the streets, I got much love for
the hood

I got too much love for the block

And my love ain't gonna stop

I got too much love for the streets, I got much love for
the hood, I got too much love for the block

And my love ain't gonna stop

I've been, I've been, I've been, I've been

I've been
