It's like I got the 4-4 cocked  
On the block in it, two door dropped  
And my spot is keeping but hot  
The pussy-ass cop throw some murder in the lot

My nigga got popped  
With a bullet that was meant for me  
The adapt by T's and B's and the regencies  
Fuck what the reason be, I'ma start squeezing these

Them niggas ain't G's, they wanna be thugs  
And it ain't shit to slang these motherfucking slugs  
The fools ain't plugged, plus ain't no hoes over here  
I done dropped more dead bodies than tears  
Brought to life momma's worst fears

Pictures of a son dying from that hot ones flying  
Baby mama's crying at the funeral  
'Cause the magnum lit him like a Black & Mild  
When I rolled out on his ass on the solo  
I caught him up on mo mo cooking up co-co

I got to tip on the low-low  
Busted in like po po taking lives with the, oh no  
It's a 4-4, mini-missile with a silencer for the whistle  
My favorite pistol 'cause when I let that bitch ride

I know the homicide is being carried out in official  
Niggas steady bumping gums but don't want none  
Because of these hot ones that explode on contact  
A manic that's prepared to die in combat

Besides all that a 4-4 keeps me laced  
Don't be petty to say  
I can see the fear in your face  
As I reach my waist for this warm embrace

I got plenty love for the 4-4  
But when I pick it up, I don't wanna let it go  
Because a nigga straight loving your warm embrace  
I got plenty love for the 4-5

But when I pick it up, I don't wanna let it ride  
But still I bust 'cause I survive from your warm embrace  
I got plenty love for the nine-mill  
And when I pick it up, I don't really wanna kill

But still I bust because I'm needing your warm embrace  
All you motherfuckers better duck and hide  
Before I let it ride, the sucker stepped aside  
Still I bust because I'm loving your warm embrace

I love the element of surprise when I'm taking these  
hoes lives  
With my customized 4-5  
Get enough ammunition to knock off you  
Your crew and some more guys

You motherfuckers better get wise  
Make sure your first shot is sweet, trying to kill the elite  
'Cause you ain't getting no more tries  
Hate to make a Nubian mother weep but fuck it

Long as I don't hear the hoe cry  
Split a beam between his eyes and make that bitch  
nigga so wise  
No matter what the size of the warm embrace of my 45  
Make sure the nigga crossed dies

You don't wanna throw them thangs  
'Cause when I cocked and aim it's time to think in a split  
second time  
But Mayz ain't new to the game  
I use the spark when the shots light up this tunnel of  
crime

But niggas get bucked for dime and it's like you're a  
magnet for sin  
Punk pretend to be your friend 'til they get close  
enough to your ends  
To do you in, that shit puts me on ten  
And make me wanna put the barrel of this solid fiend

Upon under that nigga's chin, plus he talking big shit  
about war  
Like he don't know my Speedknot Mob gon' win  
But I dare one of you niggas to say my name  
'Cause I put a fucking bullet into your closest kin

Just to get under your skin like a dirty syringe  
Plus I know you can't win with a gun or a pen  
So when you see Mayz come in the place you better say  
your grace

Before I fuck up your face like a can of mace  
Before I get disgraced, I'ma catch a case  
Maybe you hoes fear the wrath of my warm embrace

I got plenty love for the 4-4  
But when I pick it up, I don't wanna let it go  
Because a nigga straight loving your warm embrace  
I got plenty love for the 4-5

But when I pick it up, I don't wanna let it ride  
But still I bust 'cause I survive from your warm embrace  
I got plenty love for the nine-mill  
And when I pick it up, I don't really wanna kill

But still I bust because I'm needing' your warm  
embrace  
All you motherfuckers better duck and hide  
Before I let it ride, the sucker stepped aside  
Still I bust because I'm loving' your warm embrace

With you my passion, Nina squeeze off seventeen, for  
sure  
Hold you ever so tightly, I love you Nina and never  
wanna let you go  
Miss Millimeter's making a mockery of motherfuckers  
gotta be ruckus  
When I get my clutches upon this hoe

Itching to let the barrel blow  
Like a sparrow, how it flow, like an arrow, Geronimo  
Spit 'em up and swallow slow  
I reload, clipping' your ass crack, you constantly blast  
back

Payback from flashback, some bitches know  
Bust 'til I see the chrome from the intro  
You was fucked from the phasing, deep with the cuts  
and abrasion  
Erupts and amazing, nigga, my Nina bucked

Fuck the gazing and enemies get tore up from the  
blazing  
Fool you be burning them with your black ass  
Murderous hips, hurting the grips, ride on personal list  
Deposition die for serving them six

Everyone of 'em with a hit but some are missing of a  
jerk to the kick  
'Cause I be working my bitch  
Trying to pimp her but she a wild and a tame thang  
Kick a static on when she gang bang, blast in the fullest

moon

Niggas better pull it soon or else suffer hellafied bullet  
wounds  
And even though I stay clubbed with some thugs, why  
call 'em stug?  
When it comes to her love, it's none above she drawing  
blood  
Static under the bra 'cause every time I take a hit at the  
bud

And give you a hug you gon' pop up a slug  
Drinking Remy on the block, gotta bust the glock  
When the Henny hit the chest, busting Smith & Wess  
Fuck the discussion, I'm busting 'em all, clutching my  
balls

If I see y'all be laid to rest, let me hit the sess  
Loose revolver used to be a problem solver  
But the Nina made me a baller  
No strap could take the place of the black nine  
Leave 'em flat lines, feeling fury, you was born to taste  
From my warm embrace

I got plenty love for the 4-4  
But when I pick it up, I don't wanna let it go  
Because a nigga straight loving your warm embrace  
I got plenty love for the 4-5

But when I pick it up, I don't wanna let it ride  
But still I bust 'cause I survive from your warm embrace  
I got plenty love for the nine-mill  
And when I pick it up, I don't really wanna kill

But still I bust because I'm needing your warm embrace  
All you motherfuckers better duck and hide  
Before I let it ride, the sucker stepped aside  
Still I bust because I'm loving' your warm embrace

I got plenty love for the 4-4, 4-4, 4-4  
Warm embrace  
I got plenty love for the 4-5, 4-5, 4-5  
(4-5, 4-5, 4-5)  
Warm embrace  
I got plenty love for the nine-mill, nine-mill  
(Nine-mill)
