(Erika)

I'm callin ya daddy (daddy)  
Can you be my daddy (daddy)  
I need a daddy (daddy)  
Won't you be my daddy (daddy)

Come and make it rain down on me  
Come and make it rain down on me

Verse 1 (Twista)

Now come and kick it with the Twista  
Black Caddy, Mack Daddy,  
With a hoe up in the back seat  
With the '97 pimp flow  
Gotta feelin when you smokin  
When I flip it to a track speed?  
Talkin about a beautiful figure  
Astonishing as greek mythology  
Body be just like a girl in uh...  
What's that movie? nevermind  
Let me enter your atmosphere  
As you enter my world  
And lemme touch that booty  
I can't believe that your momma that cold  
Her daughter got such an astonishing soul  
You need a modeling role  
Still a playa know you got it  
When you climbin from the bottom  
To the top of that pole  
Cause you can pop and control  
Your fatty's so accurate  
When I'm smackin it  
It's makin me say  
"What I gotta do to get with that?"  
When it come to makin it rain,  
I can get it wet  
When it come to cuttin the monkey  
I can get it wet  
You gone see me to ya baby  
You need a better man  
Here come the politics,  
I'ma be your weatherman

Cause everytime I'm lookin up  
And I see more ass  
I'ma constantly see  
Rain in the forcast  
This-a-way that-a-way  
I'm flickin 5, 000 ones  
Or whatever you wanna call it  
It's a celebration  
You the champion  
Here's the fetti confetti  
Come on and get drunk  
With the money hauler?

Chorus (Erika)

You done been good,  
But you can do better  
I done been wet,  
But I can get wetter  
Come and make it rain down on me (2x)

Verse 2 (Twista)

But when I'm not for the feminine  
And everybody that percieve with the hatred  
I'ma teach them a lesson  
I take shots of adrenneline  
Cause that's the way I recieve immunization  
Against the recession  
I got the muscle off my hustle and flow money  
An entrepenuer with ways to get more money  
So don't be trippin whenever you see me throw money  
Hah. It's just a little bit of show money  
But if you want me to get it wet another ways  
Then I'ma have to beat it up the first time I play with you  
girl  
Touch your ears and your neck and play with your  
pearls  
Then I reach up in your pants and play with you pearl?  
When I lay you down you aint gotta be frontin or fakin  
On me baby cause I know it takes the right touch  
I ain't stoppin til you wet up the covers  
Because I gotta keep on fuckin til I see a lot of white  
stuff  
Now you got me excited I can't hold it  
I'm feelin it coming I'm bout to let off an explosion  
Let it ride when I see you I'm? and shakin  
When I touch your body you catchin convulsions  
That's when I know I'm doin what I'm supposed to  
You chose me. I chose you.  
Don't think I can get it wet? I told you  
Come and let the Twist rain down on you

Chorus (Erika)

You done been good,  
But you can do better  
I done been wet,  
But I can get wetter  
Come and make it rain down on me(2x)

I'm callin ya daddy (daddy)  
Can you be my daddy (daddy)  
I need a daddy (daddy)  
Won't you be my daddy (daddy)

Come and make it rain down on me(3x)
