[Erika Kane]

ugh

I open up wide open and leave those niggas wide open
hoping for the next supreme stroking dream soaking
Coat in my choking, poking till I'm choking
Niggas croaking never welcome I ain't joking
you know I'm smoking I get the job done
I suck ya dick in front of ya man and make us all cum
leave em all sprung
dirt is awesome superb all tongue suck it like a dum
dum
using mommy as the rule of dumb when you choosing
em
now ya know you fuck with hood rat hoes
seeing Kane cruising and wanting me and you with
them
cause it went down but you ain't true to them so who is
them
I ain't lying shit
get up with a mady 9 chick that brings like to dicks
with Viagra's lips dips a tits and whips
leaving dirty tips that chicks while they ride
Kane had hoes around the globe open wide

[Chorus]

wide open

like the 7 seas in the ocean soaking like tides rolling
babs coating she glad stroking
loving the shit floating the drip
the way you sucking the dick just keep on sucking it
