I open up wide open and leave those niggas wide open
Hopin' for the next supreme, strokin' dream soakin'
Coat in my chokin', pokin' till I'm chokin'
Niggas croakin', never welcome I ain't jokin'

You know, I'm smokin' I get the job done
I suck ya dick in front of ya man and make us all cum
Leave 'em all sprung
Dirt is awesome, superb all tongue suck it like a dum
dum

Usin' mommy as the rule of dumb when you choosin'
'em
Now ya know, you fuck with hood rat hoes
Seein' Kane, cruisin' and wantin' me and you with them
'Cause it went down but you ain't true to them so who is
them
I ain't lyin' shit

Get up with a Mady 9 chick that brings like to dicks
With Viagra's lips, dips a tits and whips
Leavin' dirty tips that chicks while they ride
Kane had hoes around the globe open wide

Wide open
Like the 7 seas in the ocean soakin' like tides rollin'
Babs coatin', she glad strokin'
Lovin' the shit floatin' the drip
The way you suckin' the dick just keep on suckin' it
bitch

Now, let me tell you how I'm workin' that nigga
Bobbin' his dick up and down, spitin', jerkin' that nigga
Lickin' that tip all around I'm, I hurtin' ya nigga
Kane ain't nothin' nice that's for certain my nigga

I get the dick wetter than Victoria Falls
I got ya danced up and drought as I move to ya balls
From takin' Chillys side to side and my baby Ka Jaws
Get it straight nigga, I suck a dick for the cause

Nigga climbin' the walls spread them lets like a bitch

Nigga, I get it all, you can't handle this shit
When I get the jack in the dick then at the same time
nigga
Blowin' ya mind lick your G-spot from behind

When ya gone find a bitch wet 'em like this
Niggas is mad they bitch, can't stroke 'em like this
The truth of the matter should-a broke 'em like this
Ain't sugar coatin' shit, blood suckin' the dick

Wide open
Like the 7 seas in the ocean soakin' like tides rollin'
Babs coatin', she glad strokin'
Lovin' the shit floatin' the drip
The way you suckin' the dick just keep on suckin' it
bitch

Type of chick hella, buff picture perfect nigga
If I jerk this shit, you must be worth it nigga
I know ya, had a bitch but I converted nigga
To a hot dick suckin' that clit ass, lickin' perverted
nigga

Got the nerve nigga, pullin' out a fat dick
Like a bitch won't get it wet with a slick lip
Lick on the tip with the tit lips
Deep dish, how ya trickin' on some sweet shits?

What ya mean bitch?
If you ain't suckin' than swallow back of the Tahoe
Mommy had ya. happin' like problems in sea like
macono
Bitch sucking ramodo
Like hittin' the lotto when tastin' ya nothin'

Rub the dick all on my face while this nigga still
cummin'
Still hummin' niggas stunning'
What you tryin' to say somethin'
"Ooh, slow down girl, girl, shit get back, shit girl"

Wide open
Like the 7 seas in the ocean soakin' like tides rollin'
Babs coatin', she glad strokin'
Lovin' the shit floatin' the drip
The way you suckin' the dick just keep on suckin' it
bitch
