Happy and I'm smiling
Walk a mile to drink your water
You know I'd love to love you
And above you there's no other
We'll go walking out
While others shout of war's disaster
Oh, we won't give in,
Let's go living in the past
Once I used to join in
Every boy and girl was my friend
Now there's revolution
But they don't know what they're fighting
Let us close our eyes
Outside their lives go on much faster
Oh we won't give in
Let's go living in the past
