She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She promised to a stranger
Arranger kisses
She, torn between her heart
And the others' wishes
Try to please them
Try to reason
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She tries to understand
What her father preaches
She wants to live the life
That her new world teaches
Try to tell them
What she felt then
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
Try to tell them what she felt then
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
She cried
The tears that fell were from Asian ways
