We're on a roll, won't be denied  
We've been to hell with back up metal as we tried  
We're drivin' hard the diamond class  
This is our final road to work will be the last

We're blastin', fast and loud  
Blastin', fast and loud  
And we're gonna sing it loud, yeah, we're gonna sing it  
proud  
Blastin', fast and loud

Some things in life you got to choose  
Like are you born to win or are you born to lose  
You've got one chance, don't let it go  
Let total combination be your final core

Well, we're on a roll, won't be denied  
We've been to hell with back up metal as we tried  
We're drivin' hard the diamond class  
This is our final road to work will be the last

We're blastin', fast and loud  
Blastin', fast and loud  
Yeah, we're gonna sing it loud, yeah, we're gonna  
scream it proud  
Blastin', fast and loud  
Yeah, we're gonna sing it loud, yeah, we're gonna  
scream it proud  
Blastin', fast and loud
