There's a girl I know who's got the goods, she'll make
you feel alright
If you're feelin' poor she's got the cure, she's steady
(steady)
So take her hands and make 'em dance all up and
down your spine
If you top up things, she'll let you in, she's ready
(ready)

RELEASE:

She got your number, she got the time all the time
She got yours, she got mine, gonna make what's right
She got your number, she got the time all the time
She got yours, she got mine, gonna do what's right

CHORUS

She got feel appeal, she dig you out from under
Feel appeal, she'll make you feel alright
Feel appeal, she shake you down like thunder
Feel appeal, she'll dig you through the night

She'll close your eyes, she'll make you wise, be careful
or you bow
Quiet in between, she'll rip you clean, she's deadly
(deadly)
She's lightning fast, wants first and last to feel good
like a king
Then she'll leave you overloaded roll, she's deadly
(deadly)
