[J. French]

Oh no, here we go, doin' it all over again
Paintin' our lips and shakin' our heads, we gotta find a
new bunch of friends
You know it's good to be here, you're burnin', you're
tryin' to get here so
So get up your seat, you're lookin' sweet and shakin'
some old rock 'n' roll

Lookin' at you, I can see right through your eyes
You got the power to love, you fall in the sky

[CHORUS:]

Follow me when your heart is breakin'
And your body's shakin'
And your whole world's achin'

Oh my, we will dye, every part that you really know
Just what goes on when I'm closin' our guard and we're
thinkin' of somethin' to do
Well, out in a pink, well, that I can drink so much and I'd
be aware
So turn out the light and kiss me goodnight, I really
didn't need you there

Lookin' at you, I can see right through your eyes
You have the power to love, you fall in the skies

[REPEAT CHORUS]

Wooh

[Solo - Jay Jay]

[REPEAT CHORUS]

Oh no, here we go, doin' it all over again
Paintin' our lips and shakin' our heads, we gotta find a
new bunch of friends
Oh my, we will dye, every part that you really know

Just what goes on when our makeup is gone and we're
thinkin' of somethin' to do

I'm lookin' at you, I can see right through your eyes
You got the power to love, you fall in the skies

[REPEAT CHORUS 2x]

When your heart is breakin', your body's shakin', your
whole world's ache
Follow me, wooh
