It may not mean nothing to yall (Yeah)
But understand nothing was done for me (the blunt is lit)
So I don't plan on stoppin at all
I want this shit forever mayne... ever mayne... ever mayne... ever mayne (Young Money)

I'm shuttin shit down at the mall (we so strong)
And tellin every girl she the one for me (Yeah)
And I aint even plaining to call
I want this shit forever mayne... ever mayne... ever mayne... ever mayne

Lil' Wayne:
Shit nigga, this is what I does
I swear I aint lyin, like this is my cubs
This is my tub, and I am dirty then the summer bitch
Weezy F Baby always lookin like I does some shit
You aint on nothin bitch, better know who you f**kin with
Try to f**k me, I kill you and who you commin with
No homo, T.I. had to go stupid
I'm on them high hills, and I am no Boosie Ave.
ridding with the phantom roof gone,
Automate back two tone,
And my rims are to grown, that mean they 24's boy
What are you on? I'm richer than a bitch without the grey proupon
Yeah... I'm talkin out of my head,
I make a blue eyed bitch, just admire my red
I'm a blood mothaf**ka, a blood mothaf**ka
Forever like E T C period mothaf**ka

It may not mean nothing to yall
But understand nothing was done for me
So I don't plan on stoppin at all
I want this shit forever mayne... ever mayne... ever mayne... ever mayne

I'm shuttin shit down at the mall
And tellin every girl she the one for me
And I aint even plaining to call

I want this shit forever mayne... ever mayne... ever
mayne... ever mayne

Drake:

I tell em

I am so unsighned, it would blow ones mind

Cuz ever single record I am so unkind

There are no holds barred, there is no love loss

Nigga this that crack and you know drugs cost

So P A Y U P, I don't think you'll ever find another nigga
like me

Never L I E, I got everything I tell em I got

This young nigga show boat, like I'm sellin a yaut, ya
head me?

Who else trying to smoke? ya nigga me too

Cuz take my mind off the pressure is what weed do

Ya girl wetter than the bottom of a ski doo

And take a bitch from any nigga is what we do

So bite down hoe or get the right dentist

I told Wayne I'm going in like a life sentence

And understand I send shots to who it's ment for

Never had a mentor, copy that 10-4

It may not mean nothing to yall

But understand nothing was done for me

So I don't plan on stoppin at all

I want this shit forever mayne. ever mayne. ever
mayne. ever mayne

I'm shuttin shit down at the mall

And tellin every girl she the one for me

And I aint even plainin to call

I want this shit forever mayne... ever mayne... ever
mayne... ever mayne

Kid-Kid:

Ha Kid-Kid

Put on my O.J. gloves and go on kill this shit

Make a plumer throw his plunger, like I can't deal with
this shit

Uh, they say I'm throwed off I stay on pitch

Uh, the flow aint formal, I don't slack on shit

Bitch I'm back on my shit like a fly

Since you want to be fly, throw you off the roof fly! ha

Like cookie take a dookie on the rapper loose leaf

And throw the trash ad out the window like mookie

To a shark your just sushi, you ain't hard your coochie

Wally oochie, soft as new born bootie

I said the movement slow, I'm just thinking fast

Look back, I ain't behind ya, I'm bout to lap your ass

And nigga I don't rest, I'm up till my times up

I've been a tech shelfer, all my beef prime cut
This aint punch lines, nigga your punch lyin
Cuz the only punch you ever gave was Hawaiian ha

It may not mean nothing to yall
But understand nothing was done for me
So I don't plan on stoppin at all
I want this shit forever mayne... ever mayne... ever
mayne... ever mayne

I'm shuttin shit down at the mall
And tellin every girl she the one for me
And I aint even plaining to call
I want this shit forever mayne... ever mayne... ever
mayne... ever mayne
