they say:

hey whadaya doin' with your life  
why don'tcha settle down and find yourself a wife  
don't you know you can't run away from here  
when will you act your age, why don't you listen dear

i say:

i'll never grow up  
i'll never grow up  
i'll never grow up now

they say:

you better stop your dreamin'  
you're goin' nowhere fast  
what if we throw you out  
how long you think you'll last  
when will you go to school, why don'tcha get a job  
hey girl you better shape up, you're lookin' like a slob

well i say:

i'll never grow up  
i'll never grow up  
i'll never grow up now  
and i say it again  
i'll never grow up  
i'll never grow up  
i'll never grow up now

i can't believe you can't hear what you're saying  
take a good look at yourself  
why don'tcha listen to the music we're playing  
go pick on somebody else

they say:

you think that life's a free ride  
well take a tip from me  
we're gonna end your party  
with some responsibility

everybody say:

i'll never grow up

i'll never grow up  
i'll never grow up now  
oh i know you can do better than that  
everybody sing  
i'll never grow up  
gimme me more  
i'll never grow up  
gimme more  
i'll never grow up now  
gimme, gimme, gimme gimme gimme gimme gimme  
gimme  
i'll never grow up  
hey you in the back  
i'll never grow up  
yeah you  
don't just stand there sing along  
i'll never grow up now  
everybody  
i'll never grow up  
c'mon now  
i'll never grow up  
i'll never grow up now  
whoopee!  
i want my mother  
i'll never grow up  
i'll never grow up  
what are all these people doin' in my room  
i'll never grow up now  
get off my bed  
hey watch it you're crushing my dresser  
i'll never grow up  
what's that midget doin' here i'll never grow up i'll  
never grow up now
