Ow, alright  
Hey girl, across the room  
Say I'm in love, babe, it's much too soon  
But you know I'd give you everything that I have

Girl, do you know what you're doin' to me?  
I'm gettin' burned in the first degree  
I want your love, never needed somethin' so bad

Ooh, I need your love, oh, I want your love  
All I got to have is your love  
Ooh, can't get enough, oh, you're so damn tough  
All I ever want, ever need is you

I'm so hot for you  
Baby love me through and through  
I'm so hot for you  
Make you love me like I do

Hard night, just watchin' you  
Can't take the way that you do what you do  
I got to have you, girl, you know you're driving me mad

Ooh, I need your love, oh, I want your love  
All I got to have is your love  
Ooh, can't get enough, oh, you're so damn tough  
All I ever want, ever need is you

I'm so hot for you  
Baby love me through and through  
I'm so hot for you  
Make you love me like I do

Do you wanna play, yeah, you know what to say  
Come on, girl, I'm ready, come on, girl, I'm ready  
Tell me I can stay, yeah, don't you be that way  
Come on, girl, now how can you be so cruel

Ooh, I need your love, oh, I want your love  
All I got to have is your love  
Ooh, can't get enough, oh, you're so damn tough  
All I ever want, ever need is you

I'm so hot for you  
Baby, love me through and through  
I'm so hot for you  
Baby, love me through and through

I'm so hot for you  
You got me comin' right on cue  
I'm so hot for you, yeah  
I'm so hot for you, I want your love

I'm so hot for you, can't get enough  
I'm so hot for you
