We walk the streets in tattered armies
We got the lion in our heart
We're not lookin' for trouble, just for some fun
But we're all ready if you wanna' start

So just remember the
The kids are back, the kids are back
Oh, watch out, the kids are back

Well, can you blame us for livin' our dreams?
Just look around and you'll see, why?
We don't want to follow that same routine
Maybe it's for nothin', but we gotta try

So just remember the
The kids are back, the kids are back
Oh, watch out, the kids are back, look out

Now there's no problem, no need to fuss
We ain't out to stop your fun
Don't mind us askin' 'cause we gotta know
How can we stop it when you're havin' none?

So just remember the
The kids are back, the kids are back
Oh, watch out, the kids are back

So just remember the
The kids are back, the kids are back
Oh, watch out, the kids are back

The kids are back
The kids are back
The kids are back
