Evil's comin'
Fight the fire
Push has come to shove
Let's all pray
We need the help
Death from up above
We must fight, we won't surrender
The king will never change
Hold the line, there's no contender
The outcome's prearranged

It's kill or be killed
Live or let die
Kill or be killed
Though you don't know why
It's kill or be killed
Rock or let roll
Kill or be killed
Burn or save your soul

Death is certain
There's no question
Life's not quite you see
Pick your path
And make decisions
For eternity
Choose your weapons
This war started
Long before you came
Fight the good fight
Let's be sure they'll
Never rise again

It's kill or be killed
Live or let die
Kill or be killed
Though you don't know why
It's kill or be killed
Rock or let roll
Kill or be killed
Burn or save your soul

Don't sleep in the fire
Have faith and desire
Then fight for your life
And be free
It's kill or be killed
Live or let die
Kill or be killed
Though you don't know why
It's kill or be killed
Rock or let roll
Kill or be killed
Burn or save your soul
It's kill or be killed
Live or let die
Kill or be killed
Though you don't know why
It's kill or be killed
Rock or let roll
Kill or be killed
Burn or save your soul
