"Hey, is he really goin' out with her?"  
"There he is, let's ask him"  
"Hey man, is that your ring she's wearin'?"  
"Uh huh"  
"Man, it must be great ridin' with her  
Are you pickin' her up after school today?"  
"Uh uh"  
"By the way, where'd you meet her?"

I met her at the candy store  
She turned around and smiled at me  
You get the picture?  
Yeah, we see  
That's when she fell for  
The leader of the pack

Her folks were always  
putting me down (down, down)  
They said I came from the wrong side of town  
They told her that I was bad  
But she knew I was sad  
That's why she fell for  
The leader of the pack

One day her dad said "find someone new"  
She had to tell me that we were through  
I stood there and asked her why  
But all she could do was cry  
"I'm sorry I hurt you"  
The leader of the pack

She was so small  
As she kissed me goodbye

Her tears were beginning to show  
And as she drove away on that rainy night  
I begged her to go slow  
If she heard I'll never know  
No, no, no, no, no, no, no, no, no
