You saw me comin', you had my number
But you don't want me, could you be dumber?
Your eyes are flashin', your lips are willin'
But I'm a patsy for the killin'

You're so beautiful, so unforgettable
You think that I'd do most anything

Love is for dreamers, love is for believers
Love is for losers, love is for suckers
Love is for suckers, love is for suckers

Listen, I'm not some poor fool, won't jump through your
hoop
Ain't gonna crawl, girl, to that I won't stoop
So if you want me, you'll have to get me
And if you're willin' I'll be ready

You're so beautiful, so unforgettable
To me that just don't mean anythin'

Love is for dreamers, love is for believers
Love is for losers, love is for suckers
Love is for suckers, love is for suckers

Listen, well, well, well, if it isn't little 'Miss Perfect'
And to what do I owe the pleasure of this visit?
You wanna get back together? You do, huh?
Well, listen honey, I'm just not interested

You'll what? You will?
With your heels on?
Oh no, come on, babe, let's go
Here I go again

You're so beautiful, so unforgettable
You know that I'll do most anything

Love is for dreamers, love is for believers
Love is for losers, love is for suckers
Love is for suckers, love is for suckers

Listen, love is for suckers, love is for suckers
Sucker fight me, sucker fight you
(Love is for suckers)
Always be suckers and do most anything

I wanna be a sucker
(Love is for suckers)
I'm a sucker, you're a sucker
He's a sucker, she's a sucker
(Love is for suckers)

Would you like to be a sucker
To be sucker?
Love is for suckers, yeah, yeah
Sucker
