You and I, we lit the fire
We build it, baby, my desire
But now you say I overdo it
Be careful, baby
Don't make me choose it

Oh, always, oh, always
Gotta pay the price
Oughta hear who'd love for free
Gotta pay the price
Oh, pay the price for loving me, yeah

I need your love to be a man
But oh Lord, honey
You don't understand, no
But both our lives have just begun
I just can't trade these two for one

Oh, always, oh always
Gotta pay the price
Oughta hear who'd love for free
Gotta pay the price
Oh, pay the price for loving me, yeah
Ah, for love of me, yeah

Oh, you and I, we lit the fire
We build it, baby, my desire
You want me to be your lover
Well, now you start to pay
There'll be no other

Oh, always, oh, always
Gotta pay the price
Oughta hear who'd love for free
Gotta pay the price
Oh, pay the price for loving me, yeah

Oh, always, oh, always
Gotta pay the price
Oughta hear who'd love for free
Gotta pay the price
Oh, pay the price for loving me, yeah

Ah, for love of me, yeah
